Memberships and Skier Fees

Membership term – September 1 through August 31

Membership Dues

For competitors, membership dues are waived if that individual holds an active USSA competition card for that year and actively competes on behalf of the Ishpeming Ski Club.

Skier Fees

There is no fee to use the Norman Juhola Trail System. There is a small fee for the cross country, ski jumping and Nordic combined junior programs. We will provide coaching, use of the facilities and use of our ski equipment. Each junior skier will get a free membership to the ski club with their paid fees. We do encourage parents and families to become members of the Ishpeming Ski Club and support our efforts through donations and volunteering.

All training schedules will be planned and communicated by the Ishpeming Ski Club coaching staff.
